

Family Bible Talk

Week Four: Fight for Your Family

March 22, 2015

TALK IT OVER

1. Who's your favorite super hero or movie character that battles evil and works for good?
2. This weekend the message was about fighting for your family... Talk about what it would look like to be a super hero for your family—what kinds of bad things would you fight against? What kinds of good things about your family are there to fight for?

LOOK IT UP

3. The focus Scriptures this week are [Colossians 3:17-21](#) and [Ephesians 6:1-2](#). Read those. Draw a picture of your family with what assignment(s) each family member is given in these parts of the Bible.
4. Next use those verses and help each other know how well you're doing with those assignments... How can you help each other? What kind of things could change to make it better?

NEXT STEPS

5. Look at some old family photos and share some good memories... Mom/Dad include pics of when you were kids, too. You can share some of the stories you heard about your grandparents or great-grandparents.
