

Timberlake Church – Videographer Intern

Are you looking to get hands on experience running a large ministry? Whether you are looking at going into ministry vocationally or just want to develop your leadership abilities, this is the role for you.

Timberlake is a fast growing, creative, tech-savvy, and increasingly multi-racial church committed to reaching people for Christ and growing them in their faith. We are one church in five locations. Plans are already in the works to launch our sixth campus.

In this role you will have the opportunity to directly impact weekend services by partnering with the Timberlake's Creative Team in conceptualizing, developing and create designs for video, web and social media and growing in your own personal leadership.

The perfect candidate will have two very distinct and clear traits, that they *love God and love to have fun.*

If you want to make an impact in people's lives and have fun doing it while growing in your leadership and ministry capacity then this is the role for you.

Requirements:

- Must be a Christian
