Report

NOVEMBER 2024 - OCTOBER 2025

Who are we & what is Impact?

Impact = Outreach & Expansion

Timberlake Church was founded in 1989 with a vision to create an inviting church for people on the Eastside of Seattle. From the start, we've had a heart for outreach, both locally and globally. Impact, our above-and-beyond giving that supports outreach and expansion, is how Timberlake lives that out through local and global partners, trips, projects, benevolence, leadership development, and church planting. This Impact Report highlights how God worked through your generosity in 2025 — the hours served, funds given, trips taken, and projects completed. God did incredible things this year because each of us chose to give and make a difference. Thank you for investing in the ministries of Timberlake Church.

Helping people find and follow Jesus.

Stories of

Life Change

"There is a saying — when you educate a girl child, you educate a nation. I live with a single mother and we lost our dad during the Ebola pandemic. Not too long after, my mom had a stroke and we were left to fend for ourselves. Because of that, my sisters and I had to drop out of school. I got involved in Young Life in 2019 and my life has never been the same. My involvement in Young Life as a Team Leader is amazing because I get to lead other teenagers to Christ, build up their faith, and help them to identify their talents and be the person they are called to be. Receiving the Developing Global Leaders scholarship was a shock to

me and my family. My school fees are paid, I get to work with a mentor, and I receive a stipend every month. I'm currently studying computer science in Sierra Leone. I want to change the narrative in my country about girls. I want people to see women as not just vulnerable — to see them as strong people that can lead. Thank you very much to Timberlake Church for giving me this opportunity. Because of you, I can fulfill my long-time dream of getting an education. I want to say thank you from the bottom of my heart."

"Thank you for your tremendous gift — it has a huge impact. Because of your generosity, 28 homes have been connected to safe, clean drinking water through a centralized filtration and distribution system. That's 28 homes where people will not fall sick because of the water that they used to have to haul and bring back to their homes. That's 28 homes

who might start their own cottage business because now they've got running, pressurized clean water at their house that they can do a thousand different things with. Thank you for stepping into this work with God and His kingdom."

"In our trainings, we spoke a lot about making sure that we're not coming back to the States the same as we came here, and I can say, for me and my family, that we're not going back the same. It is definitely a life-changing experience. God is doing a lot of things not only for the people here that we helped, but for us personally."

Outreach

“Therefore, go and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit.”

—Matthew 28:19—

Look at what God did through your generosity in 2025

We distributed Christmas gifts for 450 local kids and teens through donations to our Giving Tree.

Outreach includes our partners, both locally and globally, that we support financially and through volunteer hours. It also includes our outreach trips that we lead every year, support for people each month with bills, groceries, and rent, and scholarships for kids and student camps. Ultimately, it's Timberlake being the hands and feet of Jesus through generosity.

Trips

Dominican Republic

April 10-17, 2025

We partnered with Children of the Nations to send a team to the Dominican Republic. On the weeklong trip, they purchased food for families and shared a meal, built and delivered beds to children in need, built latrines for families, lead a youth ministry, and engaged in play to share the hope and love of Jesus.

Kenya

July 23 - August 3, 2025

We partnered with Foundation for Peace to send a team to Nairobi, Kenya. On the 10-day trip, they helped run a medical clinic that served over 1,000 people, hosted a camp for local children, and participated in outreach through care and practical ministry.

Mexico

August 16-22, 2025

We partnered with Youth With a Mission (YWAM) to send a team of over 50 people to Tijuana, Mexico. On the weeklong trip, they built three homes from the ground up, visited an orphanage, served food in the community, and partnered with a homeless ministry.

We partnered with Youth With a Mission to purchase the materials needed to build three homes for families in Tijuana, Mexico, on our Mexico Family Outreach Trip.

We packed 25,000 meals in one day for families in Sierra Leone, Africa, through our partnership with Children of the Nations.

We provided the funds to build a NUMA Water filtration and distribution system to bring safe, clean drinking water for 28 families in the village of Gyili, Ghana, through our partnership with Water4.

Benevolence

Benevolence is our way of extending care and compassion to those experiencing financial hardship. We provide practical help to Timberlake attendees with essential needs like food, clothing, medical expenses, housing, and transportation. It's one of the ways we live out our commitment to love and support our church family and local community during difficult seasons.

*Therefore, whenever we have the opportunity,
we should do good to everyone.
Galatians 6:10*

Camp Scholarships

Every kid and student should have the chance to experience the life-changing impact of camp. We offer scholarships to help make our camps accessible to families in need. These camps are designed to be both incredibly fun and deeply meaningful — where kids and students build friendships, grow in faith, and experience real-life change in an encouraging, Christ-centered environment.

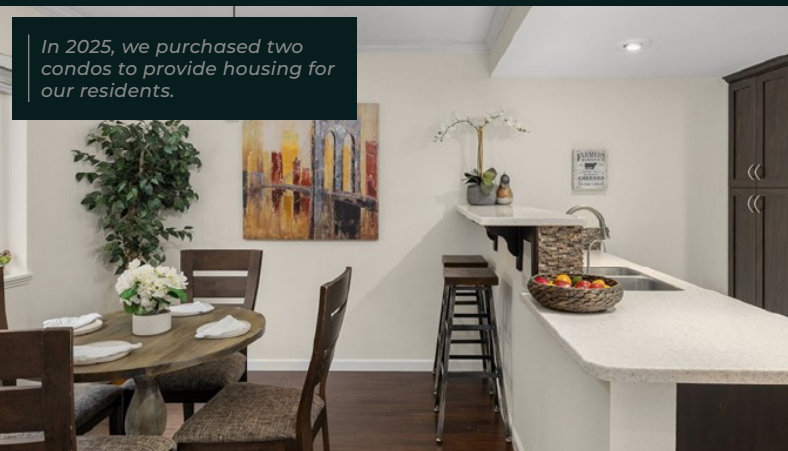

Expansion

Residency

The Timberlake Church Residency is a two-year program designed to equip emerging ministry leaders with the practical skills and real-world experience needed for a lasting career in ministry. Residents gain hands-on leadership opportunities — building volunteer teams, overseeing ministry environments, and collaborating with staff — while receiving coaching in areas like communication, time management, and self-awareness. Participants also develop their strengths in their preferred skill area, create a ministry resume, and build valuable ministry connections. The program typically involves 30–40 hours per week, with flexible scheduling, optional housing, and reimbursement for living expenses.

In 2025, we purchased two condos to provide housing for our residents.

Church Planting

We're passionate about helping new churches thrive. This year we supported several local church plants through funding and partnership — Gold Creek Community Church, Union Church, and Banner Church — helping them take root, reach their communities, and share the hope of Jesus across our region.
