DISTANCE LEARNING DAY CAMP

Timberlake Church Distance Learning Camp is a 13-week camp programmed by our Timberlake Kids team.

This weekday camp is designed to help families balance their work schedules while providing 2nd-5th grade students with a safe and convenient place to complete their remote learning.

MON-FRI STARTING SEPTEMBER 1ST, 2020
8:00 AM-12:00 PM | 2ND-5TH GRADE
UNTIL NOVEMBER 25TH

Remote Learning

The primary purpose of the Distance Learning Camp is to aid in completing online schooling assignments for individual students. Our team members will aid in online conference calls, assignments, and technical issues.

Social Development

Each day will involve a minimum of one break where children can speak to other kids, eat a snack, and relax. All CDC guidelines will still apply.

Enrichment Activities

We will schedule special activities including art, STEM, and physical activities. All activities will follow CDC guidelines and parents/guardians will be notified of which activities will be offered during which weeks as the launch of Distance Learning Camp gets closer.

PLEASE HAVE YOUR STUDENT PREPARED EACH DAY WITH THE FOLLOWING ITEMS

- Tablet/Laptop and charger
- Any additional materials needed for Online schooling
- Snacks (No nuts or nut products due to allergies)
- Books or quiet, independent activities for when online work is completed early
- Noise-canceling headphones

Classroom Ratios

Because remote learning requires that our team members are more "hands-on" – we will be employing a maximum 6:1 ratio. We feel this will greatly increase the success of aiding your student in their remote learning.

Staff

The camp will be staffed by team members who will be able to assist your children with basic technological and schoolwork needs. While many have educational backgrounds and licenses, our team is there purely to support your student in their school's programmed remote learning experience.

Dress Code

Because children will have the opportunity to go outside during time periods, please prepare accordingly.

Special Needs

If your child will need special accommodations as part of this program, please let us know at sign up and we will discuss our ability to meet those needs.
